TOMB RAIDER II

Lara Croft returns in Tomb Raider II to discover the secret of the dagger of Xian. The ancient Chinese believed that whoever recovered this mythical dagger would gain powers beyond belief... Lara's travels start at The Great Wall of China but it's not long before she's globe-trotting in hot pursuit of clues that will lead her to the ultimate goal. However, she's not alone in her new adventure: this time there are others who have a seemingly fanatical interest in the dagger.

FEATURING

- Dynamic lighting which will include flares, gun flashes, controllable lighting, and real-time sunsets
- The new locations that have been created will be even richer than the original game and will allow for far more versatility of gameplay for both look and feel
- Incorporates new movements to the vast array that Lara already has, eg. crawling and climbing
- New clothes wardrobe for Lara where she will have a number of costume changes throughout the game
- Introduces new weapons to her already vast arsenal which includes underwater devices
- Incorporating a variety of human baddies plus a new list of enemies

CORE

FIGHTING FORCE

Select your own destiny but be prepared to face the violent consequences of this raging beat-'em-up. Follow the exploits of four main characters as they obliterate multiple enemies that just don't give up. Discover new moves in order to progress through an incredible diversity of environments that allow the player(s) to use and abuse surrounding objects in the incredible interactive 3D world of Fighting Force.

FEATURING

- A 3-D arcade-style fighting game
- 7 action packed levels which break down into over 25 stages
- Numerous weapons ranging from knives and guns to lasers and rocket launchers
- You can pick up and smash almost anything from trash cans to cars
- Each hero, at present, incorporates around 40-50 different moves which does not include special moves and the use of a host of weaponry
- There is a variety of fighting terrain which includes buildings, trains, flying airships and secret islands
- Freedom of movement in 3-D worlds allows players to explore and choose their own path
- 4 enemies plus 2 main characters on screen at the same time

DEATHTRAP DUNGEON

PC
CD

DEATHTRAP DUNGEON

Built by a mad baron to bring notoriety to his town, only the brave or foolish would dare to enter Deathtrap Dungeon. Fabulous riches await the victor. Many adventurers have tried - none have come out alive...

As Red Lotus, the alluring assassin, or Chaindog, the savage warrior, you must battle your way to the heart of the dungeon and slay the great dragon, Melkor, mightiest of all the beasts of the underworld. If you succeed, gold and glory will be yours. If you fail, your sole reward is death.

A hellish horde of monsters await you in subterranean pits and passageways. A host of weapons, spells and charms are available - you will need them, for you are about to embark on a heart-stopping journey filled with brutal combat, deadly traps and the darkest magic.

Are you a hero or a zero?

FEATURING

- 21 massive levels with breath-taking architecture
- 33 different weapons, spells and charms to find and use!
- 46 different AI controlled monsters
- A multiplayer game designed specifically for close combat - see your opponent's head (or your own!) removed by swords and fireballs

Asylum
STUDIOS

DAIKATANA

Doom™, Quake™ and ID Software behind him, legendary game creator JOHN ROMERO raises the standard again for the 3D action genre that he helped create... enter Daikatana.

Wield the mighty Daikatana, an ancient Japanese Samurai sword, through 4 distinctive time periods ranging from the 24th Century to Ancient Greece. Encounter an unprecedented 64 monsters and 32 weapons in the gorgeously rendered 3D world of Daikatana. Your character Hiro Miyamoto, is joined by 2 computer controlled side-kicks, the beautiful Mikiko Ibihara and Superfly Johnson, who aid you in your epic quest to set history straight.

FEATURING

- Utilises ID Software's Quake Unified Engine Technology
- Supports all major gaming hardware and Windows™ 95 components
- Incredible Artificial Intelligence for all characters, including voice communications between Hiro and 2 "sidekicks"
- 64 varied and highly detailed monsters and enemies
- 32 weapons in which to blast your way through each tricky and mysterious level
- 33 Original CD Audio Tracks
- Completely distinctive environments, weapons, art, music and creatures in each of the 4 stages

DAIKATANA

REVENANT

Revenant is the new Dark Fantasy RPG and adventure title that immerses gamers into a whole new visually stunning and challenging environment.

With breathtaking 65,000 colour graphics, fully animated 3D characters, true light sourcing and colouring in Direct 3D, Revenant is by far the most realistic and detailed RPG to date.

PC
CD

REVENANT

Explore Shadowy catacombs or the heart of a frozen volcano, collect magic objects and cast potent spells as you battle with different enemies and monsters from dragons to wraith.

FEATURING

- Real-Time 3D characters - developed using 3D™, Revenant is compatible with all 3D accelerator cards
- Fantasy artwork developed with the help of Canadian artist Don Beauvais, a premier fantasy and science fiction illustrator
- Unprecedented game world where gamers are free to explore, following the non-linear storyline, and hack a few monsters along the way
- Unparalleled intensity and realistic combat with motion-captured animations

NINJA

Enter the mystical world of Kurosawa, the young Ninja, as he is drawn into a dark history of demon lords, ritual death ceremonies and sacrificed souls... Ninja takes you through 12 levels in 3 different worlds while providing an intense and action-packed storyline.

The combination of fast-paced classic arcade action and in-depth game play make Ninja the best looking and most addictive fighting game to date.

FEATURING

- Real-Time 3D environment creating a dark mystical world for you to explore and conquer
- State-of-the-art, third person dynamic cinematic camera system
- Progressive storyline captivating gamers unlike traditional fighting games
- Unparalleled enemy AI requiring increasingly complex skills
- Varied weapons and spells to use against enemies
- A vast array of enemies, creatures and bad Ninjas to be dealt with as you progress through the levels

FINAL FANTASY VII

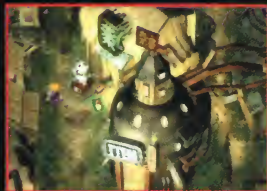

In Midgar, a city controlled by the mega-conglomerate Shinra, Inc., the No. 1 Mako Reactor has been blown up by a rebel group called AVALANCHE.

Cloud, a former member of Shinra's elite combat force, SOLDIER, was involved with the bombing of the Mako Reactor. Can Cloud and AVALANCHE protect the planet from the huge, formidable, Shinra, Inc?

You play the part of Cloud who has just joined the AVALANCHE - a brave band of eco-warriors intent on sabotaging the world-destroying, life-sucking energy production of the mighty Shinra corporation.

FEATURING

- Over 100 hours of game-play ensures that you rarely visit a location twice
- FFI is packed all the way with adventure as the story weaves its way through the stunningly realised world
- Sumptuous SGI backdrop with polygon characters placed on top
- Impressive camera changes, from close-up to specks in the distance
 - State of the art, pre-rendered Manga-style FMV which is unlike any FMV you have ever witnessed
- The plot twists and turns constantly while you build up your character's fighting prowess which is done in traditional RPG style
 - Scattered throughout the game are various sub-games which include snowboarding, motorbike racing, squat thrust contests....

PC
CD

FINAL FANTASY VII

OMIKRON

Gamers enter the parallel universe of Phaenon, to the crystal domed city of Omikron where the evil thousand-year-old Prince of Demons, Astaroth, is collecting souls.

The mission - dive into the body of an Omikron inhabitant and make sure Astaroth doesn't succeed in his plan to conquer and dominate the universe! Omikron™ is a futuristic Arcade/Adventure game in real-time 3D, entirely animated with motion capture (in combat and dialogues). It includes the very first use in a video game of scanned 3D human faces using the 3D scanner Cyberware!

FEATURING

- For the very first time in a video game, facial motion capture in real-time
- Arcade/adventure game, mixing a complex and original scenario with action-packed and challenging gameplay
- One of the best real-time 3D engines available today (640 x 480, 65,000 colours, Gouraud mapped, exact mapping, real-time lights and shadows)
- Complete freedom within a city in real-time 3D, with passers-by and vehicles
- Experience "virtual reincarnation", the ability to move directly into the body of the last character you touch before dying
- Compatible with 3D cards in Direct 3D™ and Windows™ '95, featuring fog, opacity and translucency effects
- Multiplayer options for up to 100 players

PC
CD

OMIKRON

Quantic Dream

GANGSTERS

"Real power is never given - it's taken..."

Set in a Chicago-like town in the 1920's prohibition period, Gangsters is the strategy game where crime pays. From extortion and intimidation to street execution or all-out gang warfare, Gangsters creates a world where you are 'da boss' with the power of life and death over those you control.

Played in a virtual city filled with over 5000 individual characters, Gangsters combines a highly detailed isometric terrain with an easy-to-use interface to recreate the seedy, violent and ruthless world of Mafia gangland.

"So he don't wanna pay? OK, go torch his store, an' if he still won't play ball...Whack him!"

FEATURING

- Real Time 3D Action in 1000 block city
- Control up to 400 gangsters in your organisation
 - Extort, intimidate, bribe, run illegal businesses and kill ruthlessly
- Virtual world with 5000 citizens to interact with
 - Break the law with complete immunity!

PC
CD

GANGSTERS

CUTTHROATS

Cutthroats is set in the golden age of piracy when thieves, Cutthroats and all-out psychopaths like Blackbeard and Dread Pirate Roberts preyed on unsuspecting merchantmen in the seas of the Caribbean.

You must lead your motley band of pirates around the Caribbean in search of fortune and infamy, whilst avoiding the frigates of France, Spain, the Dutch and his Majesty's Navy. Begin by steering your twin-masted sloop into sea-engagements, capturing treasure-bearing Galleons to plunder and use as you will, then lead your men into battle to overcome the troops of the garrison and sack the towns - all in highly detailed 3-D. Success will improve your reputation in the taverns and ensure the loyalty of your men - failure will lead to the plank... or worse. Cutthroats authentically depicts the excitement, grit, blood-thirst and glamour of life beneath the skull and cross.

FEATURING

- Navigate your ship or fleet around the Caribbean of the 1600's
- Engage in large scale sea battles in Real-Time 3D
- Lead your men in 3D land battles
- Sack, pillage and generally be very bad
- Buy and sell goods on the Spanish Main
- Win fortune and glory to become the most infamous pirate of them all!

CUTTHROATS

DARK PROJECT

The creative talent that pioneered the 3D interactive role-playing games, *Ultima Underworld I & II*™ and *System Shock*™, has come together again to make the coolest, most interactive, ground-breaking RPG yet. Featuring a fully-interactive "6D" world and a revolutionary new technology called Act/React™ which allows for an environment rich in object interaction, *Dark Project*™ promises a whole new dimension in gameplay.

FEATURING

- First-Person perspective "6D" world
- Revolutionary Act/React™ technology creates unique & intuitive environments: wood objects burn when exposed to fire, loud actions trigger responses, cold freezes water, etc
- 3D Pathfinding/Tactical Artificial Intelligence: AI's jump over chasms, climb stairs, etc
 - Endless level design possibilities created with proprietary CSG editor
 - Motion-capture character animations with real physics properties

COMMANDOS

BEHIND ENEMY LINES

Commandos is a real-time tactics game set in the Second World War that puts you in charge of a small squad of Allied elite troopers. Send them behind the enemy lines in a series of dangerous missions, and bring them back alive.

PC
CD

COMMANDOS

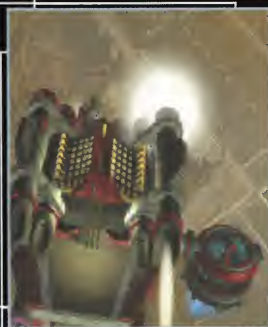

Study the enemy's movements, develop a careful plan, synchronise your men, then launch them in a swift and fierce attack using all your skill and power.

FEATURING

- A new game approach that combines action & strategy : Real-Time Tactics
- Take control of a squad of specialists ready for an amazingly rich set of actions: shoot, run, climb, dive, disguise, operate weapons and more
- 24 involving missions, each one with totally different challenges and scenarios
- Accurate 3D models of more than 200 buildings, vehicles and weapons from World War II
- More than 50 different enemy vehicles, structures and troops who will react adaptively to the player's actions, creating countless new situations for total replayability

WARZONE 2100

Location: North America-Western Sector

Time: 21st Century

Warzone: 2100 is a real time action and strategy game set on Earth in the 21st Century. The goal of the game is conquer North America and reclaim lost technologies.

Research and develop new droids to explore abandoned areas, repair damaged equipment, gather resources, and destroy opposing droids. Battle to seize key areas, but be sure to protect your Command Droids as their destruction could set you back enormously.

FEATURING

- **Sophisticated Artificial Intelligence systems** to govern droid behaviour and combat
- **Rotatable 3D landscape**
- **Develop Command Droids** which learn as the game progresses
- **Real-Time decision making**
- **Texture mapped and highly detailed terrain, buildings and structures**
- **3 vast campaigns to be fought**
- **Network and Internet play options**

WARZONE 2100

MYTH: THE FALLEN LORDS

...seeking not to conquer but to destroy!

The Fallen Lords and the forces of evil have risen up to destroy the living beings of this world. You will control the living and command many types of warriors, from a handful to hundreds at a time. Attack with fire, steel and supernatural powers.

PC
CD

MYTH: THE FALLEN LORDS

FEATURING

- **Multiplayer Mayhem**

Classic scenarios like King of the Hill and Capture the Flag, plus uniquely challenging variants

- **Unrelenting Gameplay**
Enjoy frantic instant action!

- **Stunning Landscapes**
First game in it's genre to have a fully 3D terrain

- **Dripping with Realism**
Blood drips from wounds and severed limbs.
Characters explode in a mist of body parts and blood

- **Multimetric Camera**
Unrestricted point of view lets you rotate, zoom and view the carnage from any angle

- **Realistic Weather Effects**
- **Dynamic Shadows and Light Sources**

PLAGUE

Plague is a full-scale resource management and real-time wargame set in medieval times.

As the overlord of a fledgling medieval town, your goal is to be crowned High King. But this is not an easy task, and will require a shrewd balance between diplomacy, commerce and bloody war against a background of random events such as famine, flood, and of course, plague.

Unlike other strategy games, Plague is the first to use a true 3D terrain, bringing players directly into the action with unlimited camera angles.

PC
CD

FEATURING

- Amazing resource system in real-time 3D
- Action-packed land and sea battles - take direct control of your forces or delegate to commanders
- Watch arrows fly overhead, or march with the troops with fully-rendered 3D landscapes and no fixed cameras
- Over 30 levels covering an entire continent - from northern tundra to southern desert and including sea and island scenarios for ship battles
- Three difficulty levels: Pawn, Rook and King
- Features 29 character types
- Explore 140 building types modelled in full 3D

WORLD LEAGUE SOCCER '98

World League Soccer will take 3D football games to a new level of excellence. Hectic arcade action and a taxing learning curve are the two main challenges a player will encounter in WLS.

WLS is stunningly presented with an eye to detail that will mesmerise the player, Motion capture featuring Les Ferdinand, realistic camera play, weather and lighting effects.

But looks take second place in any footie game to the gameplay itself and in this area WLS will be unsurpassed.

FEATURING

- Smooth graphics with an incredible 30 Frames per second
- Commentary from Ray Wilkins and Peter Brackley
- Motion Capture from Les Ferdinand
- Dynamic Camera intelligence follows the action around the pitch
- Four player simultaneous play
- Numerous gameplay options with National Leagues, World Super Leagues, Exhibition games Cup Tournaments and even International tournaments with National sides

CHILL

Feel the adrenaline rush of flying down a mountain at breakneck speed in Chill™, the latest extreme sport game from EIDOS Interactive. Chill recreates the speed and freedom of extreme snow boarding like no other game. Start on gentle slopes, or jump straight into more difficult hidden runs on the quest to become King of the Mountain. Perform tricks like the triple tree-stump bonk, perfect your McTwist grab, or simply fly down the mountain in time trials mode as you explore 50 tracks on five mountains. Play 1 of 4 characters (2 male, 2 female) each with 3 different boards as you conquer the hills of Chill.

FEATURING

- Combines the speed and freedom of extreme snow boarding like no other game
- Explore 50 tracks on 5 mountains from beginner to expert
- Work your way up to hidden bonus runs
- Practice and perfect dozens of tricks including jumps, grabs, spins, McTwists, Fakies, bonks, rail slides and rail spins
- Race the clock in time trials mode
- Multiplayer options include 2 player cable link mode and 2 player split screen mode

CHILL

FLIGHT UNLIMITED II

31

FLYING NIGHTMARES 2

JOINT STRIKE FIGHTER

The Joint Strike Fighter or JSF is the next generation of multi-role stealth aircraft under development for the US Military. This highly advanced fighter/bomber will become the main front-line aircraft of the USAF, US Navy, US Marine Corps and the British Royal Navy.

PC
CD

Two aircraft are short-listed for production; the highly classified Lockheed X35 and Boeing X32. We offer you the chance to fly both these state-of-the-art jets now!

Utilising revolutionary 3-D landscape technology, JSF combines accurate flight and weapons models with unprecedented graphic realism - from high altitude GPS-guided bombing to tree-top dogfighting!

FEATURING

- 10 Million sq. miles of accurately modelled terrain
- Virtual Cockpit with active controls
- Never-seen-before weapons
- Non-linear campaigns
- 4 Theatres of action
- Weather effects
- Up to 8 players

JOINT STRIKE FIGHTER

FLIGHT UNLIMITED II

It's 6:45 a.m. A mist rises from the sun-streaked tarmac. You hop into the cockpit of the legendary Beaver Seaplane. Ready to battle your worst enemy. Fear. In minutes, you're streaking across the skies over San Francisco Bay. Your heart beats like a drum as you swoop under the Golden Gate Bridge and around the TransAmerica tower, barely clearing its peak. Without warning, you're surrounded by dangerous thunderclouds and getting pelted by torrential rains. Air Traffic Control alerts you that bad weather has forced all local airports to close. Your only hope: an emergency landing on an aircraft carrier in the Bay.

PC
CD

FEATURING

- For the first time ever, navigate using Visual Flight Rules (VFR) or Instrument Flight Rules (IFR)
- Take part in 25 adventures including aircraft carrier and water landings
- Choose from five unique aircraft to pilot: Beechcraft Baron, Piper Arrow, de Havilland Beaver, North American P-51D Mustang and Trainer
- Communicate in real-time with fully interactive Air Traffic Control, including ground, tower and approach controllers
- Photo-realistic landscapes are accurately rendered to the most precise detail, producing the most stunning high resolution scenery ever seen in a flight simulator
- Fly your plane through hazardous weather conditions that would test even the most experienced pilots
- Share the congested skies with hundreds of commercial airliners... civilian aircraft ... even jet fighters protecting military airspace

FLIGHT UNLIMITED II

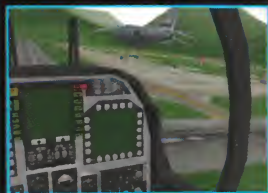

FLYING NIGHTMARES 2

Flying Nightmares 2 isn't just the next great flight sim. It's a new kind of flight sim, where you'll need more than quick reflexes to survive. You'll need a great strategy as well! Like its best-selling predecessor, Flying Nightmares 2 boasts many industry firsts, including multiplayer options for upto 16 players and 2 games in one... a technical flight sim and and a real-time strategy game.

Designed and produced by Bryan Walker, a former AH-64 Apache attack helicopter pilot and Desert Storm veteran, FN2 authentically replicates the combat experience like no other flight sim!

FEATURING

- Multi player options for upto 16 players
- Virtual Cockpits
- 2 games in 1: Cuban campaign for single player and Commandant game for multiplayer flight sim and real-time strategy
- 2 meticulously modelled aircraft: AV-8B Harrier 2+ and AH-1W Cobra attack helicopter
- 16 bit (65,000 colour) high resolution texture-mapped graphics
